## CISCO 360 LEARNING PROGRAM FOR CCIE ROUTING & SWITCHING

"Delivered by Fast Lane - an approved Learning Partner for the Cisco 360 Learning Program"

### EXPERT TRAINING FOR EXPERT SKILLS

The Cisco 360 Learning Program is the smart way for networking professionals to acquire the knowledge and skills required to support sophisticated networks. The program offers a comprehensive blended-learning curriculum designed to accelerate proficiency and build the skills needed to achieve Cisco CCIE® certification.

The Cisco 360 Learning Program for CCIE Routing and Switching aligns with the job requirements of expert-level network engineers, including the ability to independently troubleshoot and optimize integrated enterprise networks.

Rumos and Fast Lane offers you the opportunity to upgrade your technical knowledge preparing you for your CCIE exam together with leisure, sunny weather, beautiful beaches and the Portuguese unique traditions and friendly people.
